Other business interests in California and western Oklahoma make it necessary for Sam and Charles Spraggins to disperse the top herd they established in 1951.

Included will be the two outstanding herd sires, LEN DEL MERCURY UPRIGHT, the 1952 Oklahoma State Fair grand champion bull and first prize winner of the 1951 Omaha National show. This white grandson of the \$63,000 Perth champion, Pittodrie Upright, is one of the top bulls in the business.

LEVELDALE RUSTLER, purchased for \$3,000 in the 1954 Mathers Brothers Sale at Mason City, Illinois. He is sired by Leveldale Basis and is a half-brother to the 1955 Chicago International Livestock Show grand champion bull, Leveldale Critic, and the 1955 Chicago International Livestock Show grand champion female, Leveldale Rothes Queen 4th.

The females either all have calves at foot by these two bulls or are mated to them and they are a top lot.

Included will be daughters of Clear Creek Gambler, Bapton Commando, Echt Prince Regent, Edellyn Royal Leader 118th, Grandview Upright, and others. Included will be the 1955 Oklahoma grand champion and reserve grand champion state sale females, also an outstanding daughter of the \$6,500 Echt Prince Regent, that was reserve grand champion at the American Royal, and grand champion at the Denver Livestock Show.

HERE IS A REAL OPPORTUNITY to own a set of young cattle that have been selected from the very tops of midwest herds. Everything sells T.B. and Bangs tested.

TERMS

GUARANTEE

LOCATION – The sale will be held under cover at the Spraggins Brothers farm located 2½ miles west and 2 miles north of Duke, on all-weather roads, and will start at 1:00 p.m.

GUARANTEE – Since this is a complete dispersion, all of the cattle will be sold without guarantees, but we would like to point out that with the exception of the open heifers all of the females either have calves at foot or are very close to calving. The production record of our Shorthorns is one of the best, and accurate information has been given with reference as to breeding dates, etc., and announcements from the auction block will have precedence over printed information.

TERMS – The terms of the sale are cash.

HEALTH – Official vaccination for Bangs disease has been practiced. T. B. and Bangs tests will be furnished on every animal sold and official vaccination certificates with all females under 24 months of age. Every lot will comply with the health regulations into any state which they may go.

Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.

The above terms and guarantee constitute a contract between the sellers and the buyer of each lot. Neither the sale manager nor the person delegated as clerk assumes any liability, legal or otherwise.

All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

AUCTIONEER – C. D. "Pete" Swaffar.

BIDS – If you desire to bid for cattle at this sale and find it inconvenient to be present sale day, you may send your bids to: Mervin Aegerter, The Shorthorn World, Seward, Nebraska; Guy Shull, the Oklahoma Farmer Stock man, Oklahoma City; Ted Aegerter, Western Field Representative of the American Shorthorn Breeders' Association, Chicago, Ill., or to the auctioneer, C. D. "Pete" Swaffar, 1111 So. Pittsburg, Tulsa, Oklahoma.

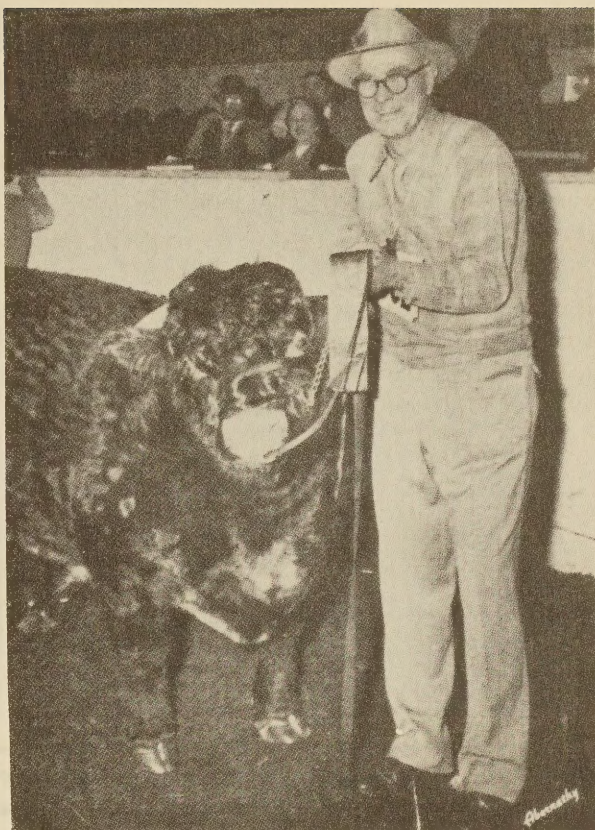

HOTELS – Sale headquarters will be the Shaffer Hotel in Altus, Oklahoma. Other accommodations can be secured at the Altus Hotel in Altus, and in excellent motels. Buyers enroute will also find the Franklin Hotel at Mangum a good place to stay. Buyers from a distance, planning to come to the Spraggins and Blasingame Sales, and who will be arriving by rail or plane in Oklahoma City, will be met upon request. Please write, wire or call Charles Spraggins, Altus, Oklahoma. Duke, Oklahoma, is located on U.S. Hiways No. 62 and 34.

Right, Les Mathers looks mighty pleased as he displays Leveldale Critic, the 1955 International grand champion bull and half-brother to Leveldale Rustler, that sells as lot 2 in this sale.

* * *

"Leveldale Rustler inherited his depth, thickness and rugged bone from a long line of such cattle. His dam is a good breeding cow with a generous supply of milk. The show records of his half-brothers and sisters by Leveldale Basis is added assurance that his get will be the kind that will deliver ruggedness, scale, weight for age, plus the quality that is in demand by all forward-looking cattlemen."

Your Opportunity For Selection From A Herd Of Stupendous Breeding Strength

When Sam Spraggins, California businessman, and his brother, Charles Spraggins, decided to go into the Shorthorn business in 1951, they studied the Shorthorn field carefully for the kind of foundation animals that could be depended upon to reproduce calves that would measure up to the best of the breed.

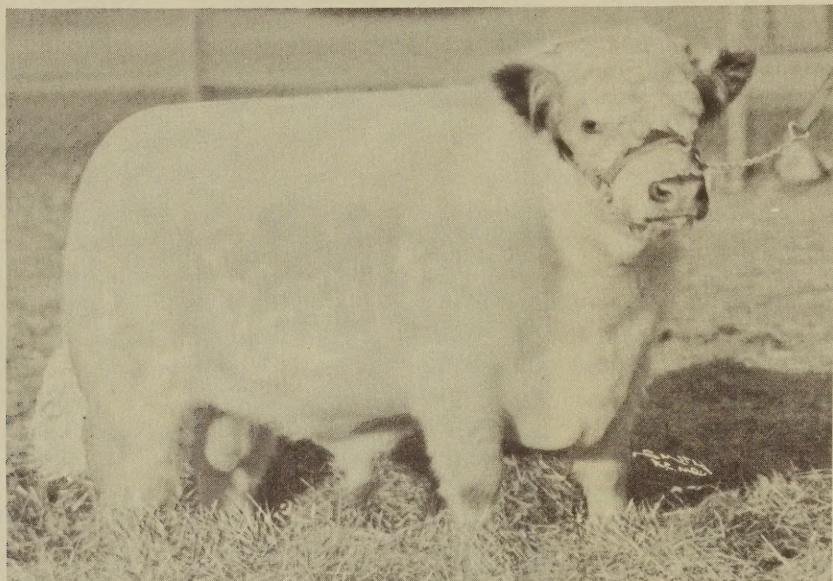

I had the opportunity of going over the herd very carefully on February 3, and I can tell you honestly that the cattle they bought have measured up in this respect and the perpetual interest by Shorthorn breeders for improvement in quality and uniformity in their cattle can be realized by attending this sale.

The two herd bulls, Len Del Mercury Upright and Leveldale Rustler, came to them highly recommended and they have delivered for them. The females include some of the best buying opportunities that have ever been available in the west and this is your invitation to have a look sale day and see if we are not right in saying that any Shorthorn breeder anywhere, looking for some improvement can help himself to cattle in this sale that not only are top individually but carry the justly celebrated bloodlines that are at the very peak in the Shorthorn field today.

If you would like more information concerning this offering, do not hesitate to contact us and we will honestly and conscientiously give you any information you would like on any of the animals selling.

LEN DEL MERCURY UPRIGHT - here is your opportunity to use one of the great bulls of the breed. We purchased him for \$2,075 in the Hauck Brothers Dispersion Sale on October 10, 1953, and we have a great lot of young cattle in this sale sired by him. He was the grand champion bull at the 1951 Tulsa fair as a junior calf. He was first prize junior bull calf at the 1951 National Shorthorn show at Omaha, Nebraska, and was reserve champion bull the same year at Oklahoma City. He was champion at both Oklahoma City and Tulsa in 1952 and reserve at Topeka and Hutchinson. His sire is the Kansas and Oklahoma state fair champion, Grandview Upright, and he is a son of the \$63,000 Perth champion, Pittodrie Upright. His dam is by Sni-A-Bar Valour Mercury, one of the ruggedness and beefest sons of Edellyn Campeon Mercury, sire of the many time champion bulls, Sni-A-Bar Control and Sni-A-Bar Randolph. This bull is a sure breeder, an outstanding individual in his mature form and has one of the greatest front-ends you have ever seen on a Shorthorn bull. He still carries the balance, style and quality that he did as a calf and only because this is a dispersion sale, is this bull being offered.

LEVELDALE RUSTLER - was purchased by us in the 1954 Leveldale sale at Mason City, Illinois, for \$3,000. He is a son of the many times champion, Leveldale Basis, that sired the 1955 International grand champion bull, Leveldale Critic and the 1955 International grand champion female, Leveldale Rothes 4th for Mathers Brothers. Leveldale Rustler is out of Aldie Katherine Rosewood by Chapelton Baronet, the same sire as the noted Aldie Mainliner. Leveldale Rustler is a very rugged, heavy-boned, well-balanced, young bull that has been a sure breeder and his first calves look most promising. Here is an opportunity to own a young bull that has a great future.
